KETTLE YARN CO.

You'll have heard us wax lyrical about Kettle Yarn Co.'s Baskerville yarn before, but did you know there's now a stunning shawl design especially for it? Yealm by Kat Goldin is the lone crochet design in *Baskerville – Dawn to Dusk*, a pattern collection showcasing the yarn's indigo colourways. A print copy is £14, or you can download the ebook or single patterns from Ravelry. www.kettleyarnco.co.uk
